Rise Foundation e.V.

## **Rise Foundation e.V.**

### **Internship in Social Media Management**

Rise Foundation e.V. is dedicated to work towards the betterment of lives of the people who live on the streets. With our bi-weekly engagements, we distribute food, clothing, hygiene items to the homeless and help them with the information of regular places to sleep, eat, take showers, wash their clothes and get medical help etc.

#### **How can you get involved?**

We have built a really good social media profile. We want to continue bringing creativity, engagement from the community and this is where you come into the picture. Your role will include following tasks.

- Develop and create social media content – from Insta Posts, FB Event promotion, raising awareness about homelessness, showing support for our partners, video creations etc.
- Responding to the questions, messages from our community.
- Working closely with core team members to have a better coordination.
- Analyse and optimize our content on our social media platforms.

#### **What awaits you?**

Unfortunately, we are currently unable to provide reimbursement for internships, but we can offer you many other great opportunities:

- Become part of an exciting group which works on grassroot level to support the homeless in Berlin.
- Determine the focus of your work and incorporate your own ideas!
- Develop and use your skills while having a positive impact upon society!
- Enjoy flexibility in terms of location and working hours (to be agreed beforehand).
- Have fun, make new friends and get a certificate of employment at the end! ;)

#### **Who are we looking for?**

We rely upon reliable and responsible members. You should also bring the following:

- Experience in Video creation/pictures editing
- Good German and English-Speaking skills

- An open-minded approach
